Selection and appointment

The selection and appointment will be conducted according to the European Commission's selection and recruitment procedures (see: Document on Senior Officials Policy [5]).

As part of this selection procedure, the European Commission sets up a pre-selection panel. This panel analyses all applications, proceeds with a first eligibility verification and identifies candidates having the best profile in view of the selection criteria mentioned above, and who may be invited for an interview with the pre-selection panel.

Following these interviews, the pre-selection panel draws up its conclusions and proposes a list of candidates for further interviews with the European Commission's Consultative Committee on Appointments (CCA). The CCA, taking into consideration the conclusions of the pre-selection panel, will decide on the candidates to be invited for an interview.

Candidates who are called for an interview with the CCA participate in a full-day management assessment centre run by external recruitment consultants. Taking account of the results of the interview and the report of the assessment centre, the CCA establishes a shortlist of candidates it considers suitable for the function.

Candidates on the CCA shortlist will be interviewed by the relevant Member(s) of the Commission.

Following these interviews, the European Commission takes the appointment decision.

A personal security clearance is an administrative decision following completion of a security screening conducted by the individual's competent national security authority in accordance with applicable national security laws and regulations, and certifying that an individual may be allowed to access classified information up to a specified level. (Note that the necessary procedure for obtaining a security clearance can be initiated on request of the employer only, and not by the individual candidate).

Until the personal security clearance has been granted by the Member State concerned and the clearance procedure completed with the legally required briefing from the European Commission's Security Directorate, the candidate will not be able to access EU Classified Information (EUCI) at the level of CONFIDENTIEL UE/EU CONFIDENTIAL or above, nor attend any meetings at which such EUCI is discussed.
