CHANGE IN PROFIT FROM RECURRING OPERATIONS

(EUR millions)

(a) The principles used to determine the impact of exchange rate fluctuations on the profit from recurring operations of entities reporting in foreign currencies and the impact of changes in the scope of consolidation are described on page 17.

Revenue for fiscal year 2019 was 53,670 million euros, up 15% over the previous fiscal year. The Group's main invoicing currencies strengthened against the euro – in particular the US dollar, which rose 5% – boosting revenue growth.

The main change to the Group's consolidation scope since January 1, 2018 related to the full consolidation of Belmond hotel group within Other Activities as of April 2019. This change in the scope of consolidation made a positive 1 point contribution to revenue growth.

On a constant consolidation scope and currency basis, revenue increased by 10%.

Revenue by invoicing currency

(as %)	**2019**	2018	2017
Euro	22	22	23
US dollar	29	29	30
Japanese yen	7	7	7
Hong Kong dollar	5	6	6
Other currencies	37	36	34
TOTAL	**100**	**100**	**100**

The breakdown of revenue by invoicing currency changed very little with respect to the previous fiscal year: the contributions of the euro, the US dollar and the Japanese yen remained stable at 22%, 29% and 7%, respectively. The contribution of the Hong Kong dollar fell by 1 point to 5%, while that of "Other currencies" rose by 1 point to 37%.

Revenue by geographic region of delivery

(as %)	2019	2018	2017
France	9	10	10
Europe (excl. France)	19	19	19
United States	24	24	25
Japan	7	7	7
Asia (excl. Japan)	30	29	28
Other markets	11	11	11
TOTAL	**100**	**100**	**100**

By geographic region of delivery, the relative contribution of Asia (excluding Japan) to Group revenue rose by 1 point to 30%, while that of France fell by 1 point to 9%. The relative contributions of the United States, Europe (excluding France), Japan and other markets remained stable at 24%, 19%, 7% and 11%, respectively.

By business group, the breakdown of Group revenue changed more appreciably. The contribution of Fashion and Leather Goods rose 2 points to 41%, while that of Selective Retailing decreased by 2 points to 28%. The contributions of Watches and Jewelry and Wines and Spirits decreased by 1 point each to 8% and 10%, the contribution of Perfumes and Cosmetics remained stable at 13%.

Revenue for **Wines and Spirits** increased by 8% based on published figures. Boosted by a positive exchange rate impact of 2 points, revenue for this business group increased by 6% on a constant consolidation scope and currency basis. Champagne and wines achieved growth of 6% based on published figures and 4% on a constant consolidation scope and currency basis, while cognac and spirits grew by 11% based on published figures and 7% on a constant consolidation scope and currency basis. This performance was largely driven by higher prices as well as an increase in sales volumes. Demand remained very strong in the United States and in Asia, particularly China, which maintained its status as the second-largest market for the Wines and Spirits business group.

Fashion and Leather Goods posted organic growth of 17%, equating to 20% based on published figures. This business group's performance was driven by the very solid momentum achieved by Louis Vuitton and Christian Dior Couture, as well as by Loewe, Rimowa, Loro Piana and Fendi, which confirmed their potential for strong growth.

Revenue for **Perfumes and Cosmetics** increased by 9% on a constant consolidation scope and currency basis, and by 12% based on published figures. This performance confirmed the effectiveness of the value-enhancing strategy resolutely pursued by the Group's brands in the face of competitive pressures. The Perfumes and Cosmetics business group saw significant revenue growth in Asia, particularly in China.

Revenue for **Watches and Jewelry** increased by 4% on a constant consolidation scope and currency basis, and by 7% based on published figures. The business group was boosted by continued strong momentum at Bvlgari, as well as solid performance at Hublot and Chaumet. TAG Heuer continued its repositioning. Asia and Europe were the most buoyant regions.

Revenue for **Selective Retailing** increased by 5% on a constant consolidation scope and currency basis, and by 8% based on published figures. This performance was driven by Sephora, whose revenue increased very substantially in every region around the world, and to a lesser extent by DFS, which dealt with the slowdown in Hong Kong by drawing on momentum at other destinations.

The Group achieved a gross margin of 35,547 million euros, up 14% compared to the prior fiscal year. As a percentage of revenue, the gross margin was 66%, 0.4 points lower than in 2018.

Marketing and selling expenses totaled 20,207 million euros, up 14% based on published figures and up 10% on a constant consolidation scope and currency basis. This increase was mainly due to the development of retail networks but also to higher communications investments, especially in Perfumes and Cosmetics. The level of these expenses expressed as a percentage of revenue remained stable at 38%. Among these marketing and selling expenses, advertising and promotion costs amounted to 12% of revenue, increasing by 11% on a constant consolidation scope and currency basis.

Exchange rate fluctuations had a positive overall impact of 266 million euros on profit from recurring operations compared to the previous fiscal year. This total comprises the following three items: the impact of exchange rate fluctuations on export and import sales and purchases by Group companies, the change in the net impact of the Group's policy of hedging its commercial exposure to various currencies, and the impact of exchange rate fluctuations on the consolidation of profit from recurring operations of subsidiaries outside the eurozone.

Profit from recurring operations for **Wines and Spirits** was 1,729 million euros, up 6% compared with 2018. Champagne and

wines contributed 690 million euros, while cognacs and spirits accounted for 1,039 million euros. This performance was the result of both sales volume growth and a robust price increase policy. Profit from recurring operations for **Selective Retailing** was 1,395 million euros, up 1% compared to 2018, and down 6% restated for the positive impact of the initial application of IFRS 16. Comments on the determination of the impact of exchange rate fluctuations and changes in the scope of consolidation

The impact of exchange rate fluctuations is determined by translating the financial statements for the fiscal year of entities with a functional currency other than the euro at the prior fiscal year's exchange rates, without any other restatements.

The impact of changes in the scope of consolidation is determined as follows:

- *for the fiscal year's acquisitions, by deducting from revenue for the fiscal year the amount of revenue generated during that fiscal year by the acquired entities, as of their initial consolidation;*
- *for the prior fiscal year's acquisitions, by deducting from revenue for the fiscal year the amount of revenue generated over the months during which the acquired entities were not consolidated in the prior fiscal year;*
- *for the fiscal year's disposals, by adding to revenue for the fiscal year the amount of revenue generated by the divested entities in the prior fiscal year over the months during which those entities were no longer consolidated in the current fiscal year;*
- *for the prior fiscal year's disposals, by adding to revenue for the fiscal year the amount of revenue generated in the prior fiscal year by the divested entities.*

Profit from recurring operations is restated in accordance with the same principles.

The variable component represents just under twice the fixed component, putting it below the 250% limit laid down in the compensation policy in force. Payment to the Chairman and Chief Executive Officer of the annual variable component of his compensation is subject to prior approval of the amount at an Ordinary Shareholders' Meeting.

Supplementary pension plan			The members of the Group's Executive Committee who are employees or senior executive officers of French subsidiaries, and who have been members of the Committee for at least six years, are entitled to a supplementary pension provided that they liquidate any pensions acquired under external pension plans immediately upon terminating their duties in the Group; this is not required, however, if they leave the Group at its request after the age of 55 and resume no other professional activity until their external pension plans are liquidated. This supplementary pension benefit is determined on the basis of a reference amount of compensation equal to the average of the three highest amounts of annual compensation received during the course of their career with the Group, capped at 35 times the annual social security ceiling (i.e. 1,418,340 euros as of December 31, 2019). The annual supplementary pension benefit is equal to the difference between 60% of the aforementioned reference compensation amount, which is capped where applicable, and all pension payments made in France (under the general social security plan and the supplementary ARRCO and AGIRC plans) and abroad. As of December 31, 2019, the total amount of pensions and the supplementary pension may not exceed 851,004 euros per year. As a result of the aforementioned system, on the basis of compensation paid to Bernard Arnault in 2019, the supplementary pension payable to him would not exceed 45% of the amount of his last annual compensation, in accordance with the recommendations set out in the AFEP/MEDEF Code. The supplementary pension only vests when retirement benefits are claimed. Given the characteristics of the plan put in place by the Company and his personal circumstances, the supplementary pension for which Bernard Arnault may qualify no longer gives rise to the annual vesting of additional benefits, or, consequently, to a correlative increase in the Company's financial commitment.

Variable compensation	2,315,250	2,315,250	Compensation paid to the Group Managing Director includes a variable annual component based on the achievement of quantifiable targets (weighted two-thirds) and qualitative targets (weighted one-third). The quantifiable criteria are financial in nature and relate to growth in the Group's revenue, operating profit and cash flow relative to budget, with each of these three components accounting for one-third of the total determination. Specific qualitative criteria – which can be strategic, managerial, organizational or operational in nature, and related to corporate social responsibility and sustainable development in particular – have been set but are not made public for reasons of confidentiality. The method used for assessing performance has been reviewed by the Nominations & Compensation Committee. The amount awarded for variable compensation must be less than 75% of the amount of fixed compensation and is therefore lower than half the upper limit set by the compensation policy in force. Payment to the Group Managing Director of the annual variable component of his compensation is subject to prior approval of the amount at an Ordinary Shareholders' Meeting.

3.3. COMPENSATION POLICY

Pursuant to Article L. 225-37-2 II of the French Commercial Code, you are asked to approve the compensation policy applicable to executive officers (Directors and Advisory Board members) (**fifteenth resolution**) and the compensation policy applicable to senior executive officers (**sixteenth and seventeenth resolutions**).

The compensation policy approved by the Board of Directors at its meeting on January 28, 2020, on the recommendation made by the Nominations and Compensation Committee on the same date, is set out in point 2.1 of the Board of Directors' report on corporate governance (see 2019 Universal Registration Document). No compensation amount of any type may be determined, awarded or paid if it does not comply with the approved compensation policy or, where the latter does not exist, with the remuneration policies or practices referred to Article L. 225-37-2 II of the French Commercial Code.

4/ AUTHORIZATIONS PROPOSED AT THE SHAREHOLDERS' MEETING OF JUNE 30, 2020

4.1. SHARE REPURCHASE PROGRAM (ARTICLES L. 225-209 *ET SEQ.* OF THE FRENCH COMMERCIAL CODE)

Type	Resolution	Maturity / Duration	Amount authorized
Share repurchase program Maximum purchase price: 550 euros	AGM of June 30, 2020 (eighteenth resolution)	December 29, 2021 (18 months)	10% of the share capital [(a)]
Reduction of capital through the retirement of shares purchased under the share repurchase program	AGM of June 30, 2020 (nineteenth resolution)	December 29, 2021 (18 months)	10% of the share capital for each 24-month period [(a)]

(a) As a guide, this equates to 50,502,734 shares on the basis of the share capital under the Bylaws as of December 31, 2019.

You are asked to authorize the Board of Directors to purchase shares in the Company, for a period of 18 months starting from this Shareholders' Meeting (**eighteenth resolution**). Such share purchases may be made for any purpose that is compatible with the laws and regulations in force, in particular (i) to provide market liquidity, (ii) to cover stock option plans, awards of bonus shares or any other share-based payment plans for employees, (iii) to cover securities giving access to the Company's shares, (iv) to be retired, (v) be held and later presented for consideration as an exchange or payment in connection with external growth operations (see point 1.13 of the 2019 Universal Registration Document and point 6.2 of the Board of Directors' Management Report – La Société LVMH Moët Hennessy - Louis Vuitton, on transactions carried out in the context of the previous program). The Board of Directors may not allow the use of this authorization without prior authorization from the Shareholders' Meeting, in the event that a third party has made a public offer on the shares of the Company, until the end of that offer period.

The maximum price at which the Company may repurchase its own shares is set at 550 euros per share, with the understanding that the Company may not purchase such shares at a price above the higher of the following two values: (i) the last quoted share price after the execution of a transaction in which the Company is not a stakeholder and (ii) the highest independent purchase bid in progress on the trading platform on which such a purchase would be made.

This authorization invalidates the authorization granted by the Shareholders' Meeting of April 18, 2019 in its sixteenth resolution.

You are also asked to authorize the Board of Directors, for a period of 18 months starting from this Shareholders' Meeting, to reduce the Company's share capital by canceling all or some of the shares that have been or may be repurchased by the Company, up to a limit of 10% of the share capital for each 24-month period (**nineteenth resolution**). The authorization to reduce the share capital through the retirement of shares acquired under the share repurchase program may be used, in particular, to offset the dilution resulting from the exercise of stock options. This authorization invalidates the authorization granted by the Shareholders' Meeting of April 18, 2019 in its seventeenth resolution.

4.2. EMPLOYEE SHAREHOLDER STRUCTURE (ARTICLE L. 225-197-1 OF THE FRENCH COMMERCIAL CODE)

Type	Authorization date	Maturity / Duration	Amount authorized	Issue price determination method
Bonus share award (L. 225-197-1 et seq.)	AGM, June 30, 2020 (twentieth resolution)	August 29, 2022 (26 months)	1% of the share capital [(a)(b)]	Not applicable

(a) Up to the overall maximum of 50 million euros proposed at the Shareholders' Meeting of April 18, 2019 (twenty-eighth resolution) against which this amount would be offset.
(b) As a guide, this equates to 5,050,273 shares on the basis of the share capital under the Bylaws as of December 31, 2019.

You are asked to authorize the Board of Directors to award bonus shares in issue or to be issued to the employees and/or senior executive officers of the Company and related entities up to a limit of 1% of the share capital (**twentieth resolution**).

This authorization shall apply for a period of 26 months starting from the Shareholders' Meeting of June 30, 2020 and shall invalidate, from the same date, the remaining unused portion of the authorization granted by the Shareholders' Meeting of April 12, 2018 in its fifteenth resolution. In the scenario of an award of bonus shares to be issued, the maximum amount of the resulting capital increase will be offset against the overall cap of 50 million euros referred to in the twenty-eighth resolution adopted by the Shareholders' Meeting of April 18, 2019, or, where relevant, against any cap set out in a subsequent resolution of the same type throughout the duration of validity of this authorization.

5/ MODIFICATION OF THE BYLAWS

MODIFICATION OF ARTICLE 11 OF THE BYLAWS

Article L. 225-27 of the French Commercial Code, as amended by the French Law of May 22, 2019 on business growth and transformation, known as the Pacte Law, now requires that the Board of Directors include two Directors representing the employees.

The Bylaws must therefore be modified to set out the procedures for the appointment of Directors representing the employees (**twenty-first resolution**).

The proposed method of appointment is as follows:

- the first Director representing the employees would be appointed by the Group Works Council ;
- the second Director representing the employees would be appointed by the SE Works Council.

Consequently, you are asked, firstly, to approve the amendment of Article 11.1.5 of the Bylaws by adding a reference to the fact that the provisions of the French Commercial Code limiting the number of Directors linked to the Company through an employment contract to one-third of Directors in office shall not be applicable to the Directors representing the employees.

You are then asked to approve the insertion of an Article 11.2 setting out the procedures for appointing Directors representing the employees.

New Article 11.2:

"11.2 Directors representing the employees appointed by the Group Works Council and, where relevant, by the SE Works Council.

11.2.1. In accordance with the law, when the number of members of the Board of Directors, calculated based on the provisions of Article L. 225-27-1 II of the French Commercial Code, is lower than or equal to eight, a Director representing the employees is appointed by the LVMH Group Works Council.

When the number of members of the Board of Directors is higher than eight, a second Director representing the employees is appointed by the SE Works Council. When the number of members of the Board of Directors is initially higher than eight but falls to below or equal to eight, the term of office of the Director appointed by the SE Works Council is maintained until it expires.

In accordance with the provisions of Article L. 225-28 of the French Commercial Code, a Director representing the employees appointed by the LVMH Group Works Council must have held an employment contract, which must correspond to an actual post, with the Company or with a direct or indirect subsidiary of the Company, whose registered office is located in France, at least two years before their appointment. A Director representing the employees appointed by the SE Works Council must have held an employment contract, which must correspond to an actual post, with the Company or a direct or indirect subsidiary of the Company, at least two years before their appointment.

Directors representing the employees may begin their term of office when the first Board of Directors' meeting is convened following their appointment by the relevant Works Council.

Directors representing the employees are not included in the calculation of the maximum or minimum number of Directors as provided for in the French Commercial Code, in the provisions of this article, and pursuant to paragraph 1 of Article L. 225-18-1 of the French Commercial Code.

11.2.2. Pursuant to paragraph 3 of Article L. 225-25 of the French Commercial Code, Directors representing the employees are not required to own shares in the Company during their term of office.

11.2.3. Directors representing the employees are appointed for a term of three years, expiring at the close of the Ordinary Shareholders' Meeting convened to approve the financial statements for the preceding fiscal year and held in the year during which the term of office of the said Director comes to an end. Directors representing the employees may be re-appointed.

The term of office of a Director representing the employees may expire early under the conditions set out by law and in this article, and notably in the event that their employment contract is terminated (unless they move jobs within the Group). If the terms of application of Article L. 225-27-1 of the French Commercial Code are no longer fulfilled at the end of a fiscal year, the term of office of the Director(s) representing the employees shall expire at the end of the meeting during which the Board of Directors observes that the Company no longer meets the terms of application of the law.

In the event that the position of Director representing the employees becomes vacant, for any reason, it shall be filled in accordance with the conditions set out in Article L. 225-34 of the French Commercial Code. The Board of Directors may continue to meet and validly deliberate before the aforementioned position has been filled.

11.2.4. Directors representing the employees have a voting right. Subject to the relevant provisions, Directors representing the employees have the same privileges, are subject to the same obligations, in particular concerning confidentiality, and are bound by the same responsibilities as the other Directors."

MODIFICATION OF ARTICLE 13 OF THE BYLAWS

You are asked to approve the modification of the method by which notice is served for meetings of the Board of Directors by replacing the letter addressed to each Director with a notice by any means **(twenty-second resolution).**

Consequently, the second and third sub-paragraphs of paragraph 1 of Article 13 of the Bylaws shall read as follows:

"Notice is served by any means, eight days prior to the meeting; it shall mention the agenda of the meeting as set by the person convening the meeting."

"Nevertheless, the Board may meet without delay and without a pre-established agenda."

The rest of the article remains unchanged.

You are also asked to approve the addition of a fifth paragraph to Article 13.2 of the Bylaws to enable the Board of Directors, in accordance with Article L. 225-37 of the French Commercial Code, to take decisions based on written consultation, pursuant to the provisions set out in the regulations:

New fifth paragraph

"The Board of Directors may take the following decisions by written consultation:

- *co-optation (i) following death, (ii) following resignation, (iii) when the number of Directors has fallen below the minimum level set out in the Bylaws, or (iv) when the gender balance of Directors on the board is no longer complied with;*
- *authorize the granting of security, endorsements and guarantees given by the Company;*
- *transfer of the registered office within the same administrative region (département);*
- *change the Bylaws to bring them into line with legal and regulatory provisions;*
- *convene the Shareholders' Meeting.*

The terms and conditions for written consultation are set out in the Board of Directors' Charter."

The rest of the article remains unchanged.

MODIFICATION OF ARTICLE 14 OF THE BYLAWS

You are asked to approve the modification of Article 14 of the Bylaws (powers of the Board of Directors) in accordance with Article L. 225-35 of the French Commercial Code, as amended by the French Law of May 22, 2019, known as the Pacte Law, to indicate that the Board of Directors sets guidelines for the Company's activities and shall ensure their implementation, taking into consideration the corporate social responsibility and environmental objectives of its activity and, where relevant, the Company's purpose **(twenty-third resolution).**

Consequently, the first paragraph of Article 14 of the Bylaws will read as follows:

"The Board of Directors sets guidelines for the Company's activities and shall ensure their implementation in accordance with its societal interests, taking into consideration the corporate social responsibility and environmental objectives of its activity. Where necessary, it will also take into consideration the Company's purpose, defined pursuant to Article 1835 of the French Civil Code."

The rest of the paragraph remains unchanged.

HARMONIZATION OF THE BYLAWS WITH VARIOUS PROVISIONS, LEGAL AND REGULATORY IN PARTICULAR, OF THE FRENCH LAW OF MAY 22, 2019 KNOWN AS THE PACTE LAW (ARTICLES 20, 21, 23 AND 25)

Finally, you are asked to approve the harmonization of the Company's Bylaws to bring them into line with various legal and regulatory provisions, notably, of the French Law of May 22, 2019 known as the Pacte Law, and to modify the following articles accordingly **(twenty-fourth resolution)**:

(i) Articles 20 and 21: removal of the reference to "Directors' fees" ;

(ii) Article 23: the term "Works Council" will be replaced by the term "Social and Economic Council" ("*Comité Social et Économique*");

(iii) Article 25 (Identification of holders of securities): Article 25 shall now read as follows:

"The Company has a right, under the legal and regulatory provisions in force, to request, at any time, information on the holders of securities that confer an immediate or future right to vote at its Shareholders' Meetings, in return for a consideration, the maximum amount of which shall be set by order of the Minister of the Economy, payable either to the central depository of the financial instruments or directly to one or more intermediaries covered by the applicable laws and regulations.

The said holders of securities shall be identified in accordance with the laws and regulations in force."

Seventeenth resolution:

The Shareholders' Meeting, having reviewed the Board of Directors' report on corporate governance prepared in accordance with Article L. 225-37 of the French Commercial Code and describing the compensation policy applicable to senior executive officers, approves, pursuant to Article L. 225-37-2 II of the French Commercial Code, the compensation policy applicable to the Group Managing Director, as set out in point 2.1.2 of the Board of Directors' report on corporate governance (see 2019 Universal Registration Document).

Eighteenth resolution:
Authorization to be granted to the Board of Directors over a period of 18 months to trade in the Company's shares at a maximum purchase price of 550 euros per share, for a cumulated maximum of 27.8 billion euros

The Shareholders' Meeting, having reviewed the Board of Directors' report on the draft resolutions, authorizes the Board of Directors, with the option of sub-delegation, to purchase the Company's own shares, in accordance with the provisions of Articles L. 225-209 *et seq.* of the French Commercial Code and European Regulation No. 596/2014 of April 16, 2014.

Shares may be acquired to meet any objective compatible with the provisions in force at the time, and in particular to:

(i) provide market liquidity or share liquidity services (purchases/sales) by an investment service provider acting independently as part of a liquidity contract set up by the Company in compliance with the AMF-approved AMAFI Ethics Charter;

(ii) cover stock option plans, awards of bonus shares or of any other shares, or share-based payment plans for employees or executive officers of the Company or of any related undertaking under the conditions provided by the French Commercial Code, in particular its Articles L. 225-180 and L. 225-197-2;

(iii) cover debt securities that may be exchanged for Company shares, and more generally securities giving access to the Company's shares, notably by way of conversion, tendering of a coupon, redemption or exchange;

(iv) be canceled subject to the approval of the nineteenth resolution by this Shareholders' Meeting; or

(v) be held and later presented for consideration as an exchange or payment in connection with external growth operations, up to a maximum of 5% of the share capital;

(vi) more generally, carry out any permitted transactions or any transaction that would be authorized in future under regulations in force at that time, or that would involve an already accepted market practice or one that would come to be accepted by the French financial market authority (*Autorité des marchés financiers*).

The maximum price at which the Company may purchase its own shares is set at 550 euros per share, with the understanding that the Company may not purchase shares at a price that exceeds the higher of the following two values: the last quoted share price after the execution of a transaction in which the Company was not a stakeholder or the highest independent purchase offer in progress on the trading platform on which the purchase would be made.

In the event of a capital increase through the incorporation of reserves and the award of bonus shares and in the event of a split or regrouping of shares, the purchase price shown above will be adjusted by a multiplying factor equal to the ratio between the number of shares that make up the share capital before the operation and the number of shares comprising the share capital after the operation.

The maximum number of shares that can be acquired over the duration of the repurchase program is 10% of the share capital, after adjustment for transactions affecting the share capital after this Shareholders' Meeting, with the understanding that in the context of the use of this authorization, (i) in the specific case of shares purchased under the liquidity contract, in accordance with Paragraph 2 of Article L. 225-209 of the French Commercial Code, the number of shares taken into account to calculate the limit of 10% corresponds to the number of shares purchased after deduction of the number of shares that may be resold throughout the authorization period and (ii) the number of treasury shares to be used for payment or exchange in the context of a merger, spin-off or tender may not exceed 5% of the capital as it stands on the date of the operation.

The limit of 10% of the share capital corresponded to 50,502,734 shares as at December 31, 2019. The total maximum amount allocated to acquisitions may not exceed 27.8 billion euros.

The share purchase operations described above, and the sale or transfer of these shares, may be carried out by any means compatible with the laws and regulations in force, including in the context of trading operations.

All necessary powers are granted to the Board of Directors with a view to ensuring the execution of this authorization. The Board of Directors may delegate powers to the Chief Executive Officer or, where relevant and with the agreement of the latter, to the Group Managing Director, under the conditions provided by law, to:

- decide on the implementation of this authorization;
- adjust the aforementioned maximum purchase price to take account, in the event of a change in the par value of the shares, of a capital increase through the incorporation of reserves and the allocation of bonus shares, a split or regrouping of the shares, the distribution of reserves or any other assets, capital depreciation or any other operation related to the share capital, and the impact of these operations on the value of the share;
- set the conditions and procedures for the preservation of rights, where necessary, of holders of securities giving access to the share capital, of stock options or warrants, or rights to bonus share grants in accordance with the relevant legal, regulatory and contractual provisions;
- place any stock market orders, sign any contracts, sign any documents, enter into any agreements with a view notably to maintaining share purchase and sale registers, in accordance with the regulations in force;
- make all declarations, perform all formalities and generally do what is necessary.

The Board of Directors may not allow the use of this delegation of powers without prior authorization from the Shareholders' Meeting in the event that a third party has made a public offer on the shares of the Company, until the end of that offer period.

This authorization shall take effect at the end of this Shareholders' Meeting for a period of 18 months and shall invalidate the authorization of the same nature, or any remaining unused portion thereof, granted to the Board of Directors by the Shareholders' Meeting of April 18, 2019 in its sixteenth resolution.

2. sets the duration of validity of this authorization at eighteen months and notes that this delegation invalidates the delegation, or any remaining unused portion thereof, granted by the Shareholders' Meeting of April 18, 2019 in its seventeenth resolution;
3. grants all powers to the Board of Directors to carry out and record the recognition of the capital retirement and capital decrease operations pursuant to this authorization, to accomplish all deeds and formalities to this effect, and notably all necessary declarations to the French financial market authority (Autorité des marchés financiers), to allocate the difference between the purchase value and the par value of the canceled shares to reserves and additional paid-in capital, to reallocate the fraction of the legal reserve that has become available as a result of the capital decrease, to modify the Bylaws accordingly and, in general, do what is necessary.

Twentieth resolution:
Authorization to be granted to the Board of Directors for a 26-month period to award bonus shares to be issued with the removal of preferential subscription rights, or shares in issue for the benefit of employees and/or senior executive officers of the Company and related entities up to a limit of 1% of the share capital

The Shareholders' Meeting, having reviewed the Board of Directors' report on the draft resolutions and the Statutory Auditors' report, and pursuant to the provisions of Articles L. 225-197-1 *et seq.* of the French Commercial Code:

2. sets the duration of validity of this authorization at twenty-six months as of this date;
3. resolves that (i) the award of the shares to their beneficiaries shall be definitive at the end of a minimum vesting period of one year, (ii) the Board of Directors may extend the vesting period and/or establish a retention period; the minimum total duration of the vesting period and, where relevant, the retention period may not be less than two years. However, share awards to beneficiaries shall become definitive before expiry of the applicable vesting period in the event of the death or disability of the beneficiary corresponding to the classifications in the second and third categories set out in Article L. 341-4 of the French Social Security Code and the said shares shall become freely transferable;
4. resolves that the shares awarded to senior executive officers shall only become definitive subject to the fulfillment of the performance conditions established by the Board of Directors;
5. authorizes the Board of Directors, during the vesting period, to adjust, where relevant, the number of shares linked to any operations involving the share capital so as to preserve the rights of the beneficiaries;
6. acknowledges that if the award relates to shares to be issued, this authorization shall automatically entail the waiving by the shareholders of their preferential subscription rights to the advantage of the beneficiaries of the bonus shares;
7. resolves that where this authorization proceeds, the Board of Directors, shall, within the limits of the law, have all necessary powers to:
   - establish the list of beneficiaries of the bonus shares,

as set out in paragraph 4 of Article L. 225-197-1 II of the French Commercial Code, the Board of Directors shall be responsible for deciding whether or not these shares may be sold by the beneficiaries before the end of their term of office, or for setting the number of these shares that they are required to retain as registered shares until the end of their term of office,

- decide, where necessary, in the event of operations involving the share capital during the vesting period of the awarded shares, to adjust the number of shares awarded so as to preserve the rights of the beneficiaries and, in this case, determine the procedures for such adjustment,
- if the award relates to shares to be issued, carry out any necessary capital increase through the incorporation of reserves or issue premiums of the Company at the time of the definitive awarding of the shares to their beneficiaries, set the dividend dates of the new shares, and make the corresponding changes to the Bylaws;
- where relevant, record the recognition of the capital increases, change the Bylaws accordingly and in general do what is necessary.

Twenty-first resolution: Modification of Article 11 of the Bylaws to define the terms for the appointment of Directors representing employees

The Shareholders' Meeting, having reviewed the Board of Directors' report on the draft resolutions, resolves to define the procedures for appointing Directors representing the employees of the Company and to modify Article 11 of the Bylaws as follows:

Article 11 - Board of Directors

The Company is administered by a Board of Directors comprising Directors who have been appointed by two methods: (i) Directors elected by the Shareholders' Meeting and (ii) Directors representing the employees appointed by the Group Works Council and, where relevant, by the SE Works Council.

11.1 Directors elected by the Shareholders' Meeting

11.1.1. Subject to exemptions set out by law, the Company is administered by a Board comprising at least three and at most eighteen members, who may be individuals or legal entities, appointed by the Ordinary Shareholders' Meeting.

All legal entities that have been appointed a Board member must appoint an individual as its permanent representative on the Board of Directors. The term of office of this permanent representative is the same as that of the legal entity which they represent as Director. When a legal entity removes from office the individual who serves as its representative, it must appoint someone else to replace them. The same provisions apply in the event of death or the resignation of the permanent representative.

11.1.2. Each Director must own at least five hundred (500) shares in the Company throughout their entire term of office.

If on the date of their appointment a Director does not own the required number of shares or if they cease to own the required number of shares during their term of office, they shall be considered to have automatically resigned if they do not acquire the necessary shares within a period of six months.

11.1.3. No one over the age of seventy shall be appointed as a Director if, as a result of their appointment, the number of Directors over seventy would exceed one-third of the Board members. The number of Directors over seventy years of age may not exceed one-third, rounded to the next higher number if this total is not a whole number, of the Directors in office. Whenever this limit is exceeded, the term of office of the oldest Director shall be deemed to have expired at the close of the Ordinary Shareholders' Meeting convened to approve the financial statements for the fiscal year during which the limit is exceeded.

11.1.4. Directors shall be appointed for a three-year term. The duties of a Director shall expire at the close of the Ordinary Shareholders' Meeting convened to approve the financial statements for the preceding fiscal year and held in the year during which the term of office of that Director comes to an end.

However, to make the renewal of appointments as balanced over time as possible, and in any event to make them complete for each three-year period, the Board will have the option of determining the order in which Directors' appointments expire by drawing lots at a Board meeting for one-third of its members each year. Once the rotation has been established, renewals will take place according to seniority.

Directors can always be re-elected; their mandate may be revoked at any time by decision of the Shareholders' Meeting.

In the event of the death or resignation of one or more Directors, the Board of Directors may make provisional appointments between two Shareholders' Meetings.

Appointments made by the Board as set out in the above paragraph are subject to ratification by the next Ordinary Shareholders' Meeting. If they are not ratified, the decisions taken and acts previously carried out by the Board shall nonetheless remain valid.

When the number of Directors falls below the legal minimum, the Directors in place must immediately convene an Ordinary Shareholders' Meeting to bring the number of Directors back up to the minimum level.

A Director appointed to replace another Director whose term of office has not expired serves only for the remaining period of their predecessor's term.

11.1.5. A company employee may only be appointed as Director if their employment contract is dated before their appointment and corresponds to an actual post. In this case, they will not lose the benefits of their employment contract. The number of Directors linked

to the Company by an employment contract may not surpass one third of the Directors in office. Director(s) representing the employees are not included in this calculation.

11.2 Directors representing the employees appointed by the Group Works Council and, where relevant, by the SE Works Council

11.2.1. In accordance with the law, when the number of members of the Board of Directors, calculated based on the provisions of Article L. 225-27-1 II of the French Commercial Code, is lower than or equal to eight, a Director representing the employees is appointed by the LVMH Group Works Council.

When the number of members of the Board of Directors is higher than eight, a second Director representing the employees is appointed by the SE Works Council. When the number of members of the Board of Directors is initially higher than eight but falls to below or equal to eight, the term of office of the Director appointed by the SE Works Council is maintained until it expires.

In accordance with the provisions of Article L. 225-28 of the French Commercial Code, the Director representing the employees appointed by the LVMH Group Works Council must hold an employment contract, which must correspond to an actual post, with the Company or with a direct or indirect subsidiary of the Company, whose registered office is located in France, dated at least two years before their appointment. A Director representing the employees appointed by the SE Works Council must hold an employment contract, which must correspond to an actual post, with the Company or a direct or indirect subsidiary of the Company, dated at least two years before their appointment.

Directors representing the employees may begin their term of office when the first Board of Directors meeting is convened following their appointment by the relevant Works Council.

Directors representing the employees are not included in the calculation of the maximum or minimum number of Directors as provided for in the French Commercial Code, in the provisions of this article, and pursuant to paragraph 1 of Article L. 225-18-1 of the French Commercial Code.

11.2.2. Pursuant to paragraph 3 of Article L. 225-25 of the French Commercial Code, Directors representing employees are not required to own shares in the Company during their term of office.

11.2.3. Directors representing the employees are appointed for a term of three years, expiring at the close of the Ordinary Shareholders' Meeting convened to approve the financial statements of the previous fiscal year and held in the year during which the term of office of the Director comes to an end. Directors representing employees may be reappointed.

The term of office of a Director representing the employees may expire early under the conditions set out by law and in this article, and notably in the event that their employment contract is terminated (unless they move jobs within the Group).

If the terms of application of Article L. 225-27-1 of the French Commercial Code are no longer fulfilled at the end of a fiscal year, the term of office of the Director(s) representing the employees shall expire at the end of the meeting during which the Board of Directors observes that the Company no longer meets the terms of application of the law.

In the event that the position of Director representing the employees becomes vacant, for any reason, the position shall be filled in accordance with the conditions set out in Article L. 225-34 of the French Commercial Code. The Board of Directors may continue to meet and validly deliberate before the aforementioned position has been filled.

11.2.4. Directors representing the employees have a voting right. Subject to the relevant provisions, Directors representing the employees have the same privileges, are subject to the same obligations, in particular concerning confidentiality, and are bound by the same responsibilities as the other Directors.

Twenty-second resolution: Modification of Article 13 of the Bylaws to change the method by which notice is served for meetings of the Board of Directors and to introduce the option for the Board of Directors to take decisions based on written consultation pursuant to the provisions set out in the regulations

The Shareholders' Meeting, having reviewed the Board of Directors' report on the draft resolutions, resolves to replace the method by which notice is served for meetings of the Board of Directors, namely by letter sent to each Director, with notice by any means, and consequently to change the second and third sub-paragraphs of paragraph 1 of Article 13 of the Bylaws.

Article 13: Board of Directors' meeting

The second sub-paragraph of paragraph 1 of Article 13 shall now read as follows:

"Notice is served by any means, at least eight days prior to the meeting; it shall mention the agenda of the meeting as set by the person convening the meeting."

The third sub-paragraph of paragraph 1 of Article 13 shall now read as follows:

"Nevertheless, the Board may meet without delay and without a pre-established agenda."

The rest of the article remains unchanged.

The Shareholders' Meeting, having reviewed the Board of Directors' report on the draft resolutions, resolves, pursuant to Article L. 225-37 of the French Commercial Code, to allow the Board of Directors to take decisions by written consultation under the conditions set out in the said article. Consequently, a fifth paragraph shall be added to point 2 of Article 13 of the Bylaws.

New fifth paragraph

"The Board of Directors may take the following decisions by written consultation:

- *co-optation (i) following death, (ii) following resignation, (iii) when the number of Directors has fallen below the minimum level set out in the Bylaws, or (iv) when the gender balance of Directors on the board is no longer complied with;*
- *authorize the granting of security, endorsements and guarantees given by the Company;*
- *transfer of the registered office within the same administrative region (département);*
- *change the Bylaws to bring them into line with legal and regulatory provisions;*
- *convene the Shareholders' Meeting.*

The terms and conditions for written consultation are set out in the Board of Directors' Charter."

The rest of the article remains unchanged.

Twenty-third resolution: Modification of Article 14 of the Bylaws (Powers of the Board of Directors)

The Shareholders' Meeting, having reviewed the Board of Directors' report on the draft resolutions, Article L. 225-35 of the French Commercial Code, and Article 1835 of the French Civil Code as amended by the French Law of May 22, 2019, known as the Pacte Law, which introduces the notion of the Company's societal interest and purpose, resolves to modify the first paragraph of Article 14 of the Bylaws as follows:

"Article 14 - Powers of the Board of Directors

The Board of Directors sets guidelines for the Company's activities and shall ensure their implementation in accordance with its societal interests, taking into consideration the corporate social responsibility and environmental objectives of its activity. Where necessary, it will also take into consideration the Company's purpose, defined pursuant to Article 1835 of the French Civil Code."

The rest of the paragraph remains unchanged.

Twenty-fourth resolution: Harmonization of the Bylaws with various provisions, legal and regulatory in particular, of the French Law of May 22, 2019 known as the Pacte Law (articles 20, 21, 23 and 25)

The Shareholders' Meeting, having reviewed the Board of Directors' report on the draft resolutions and the provisions, legal and regulatory in particular, of the French law of May 22, 2019, known as the Pacte Law, resolves to harmonize the Bylaws to bring them into line with said provisions of the said law and therefore to modify the following articles:

(i) Articles 20 and 21: removal of the reference to "Directors' fees";

(ii) Article 23: susbtitution of the terms "Works Council" by the terms "Social and Economic Council";

(iii) Article 25: Identification of holders of securities.

Article 25 shall now read as follows:

"The Company has a right, under the legal and regulatory provisions in force, to request, at any time, information on the holders of securities that confer an immediate or future right to vote at its Shareholders' Meetings, in return for a consideration, the maximum amount of which shall be set by order of the Minister of the Economy, payable either to the central depository of the financial instruments or directly to one or more intermediaries covered by the applicable laws and regulations.

The said holders of securities shall be identified in accordance with the laws and regulations in force."
